

Original Manufacturer

# ***Carton Honeycomb Paper***

## ***Carton Cutting Machine***

---

Down to the Smallest Detail  
Powerful Features

# Can Cut Mesh Type Green Environment

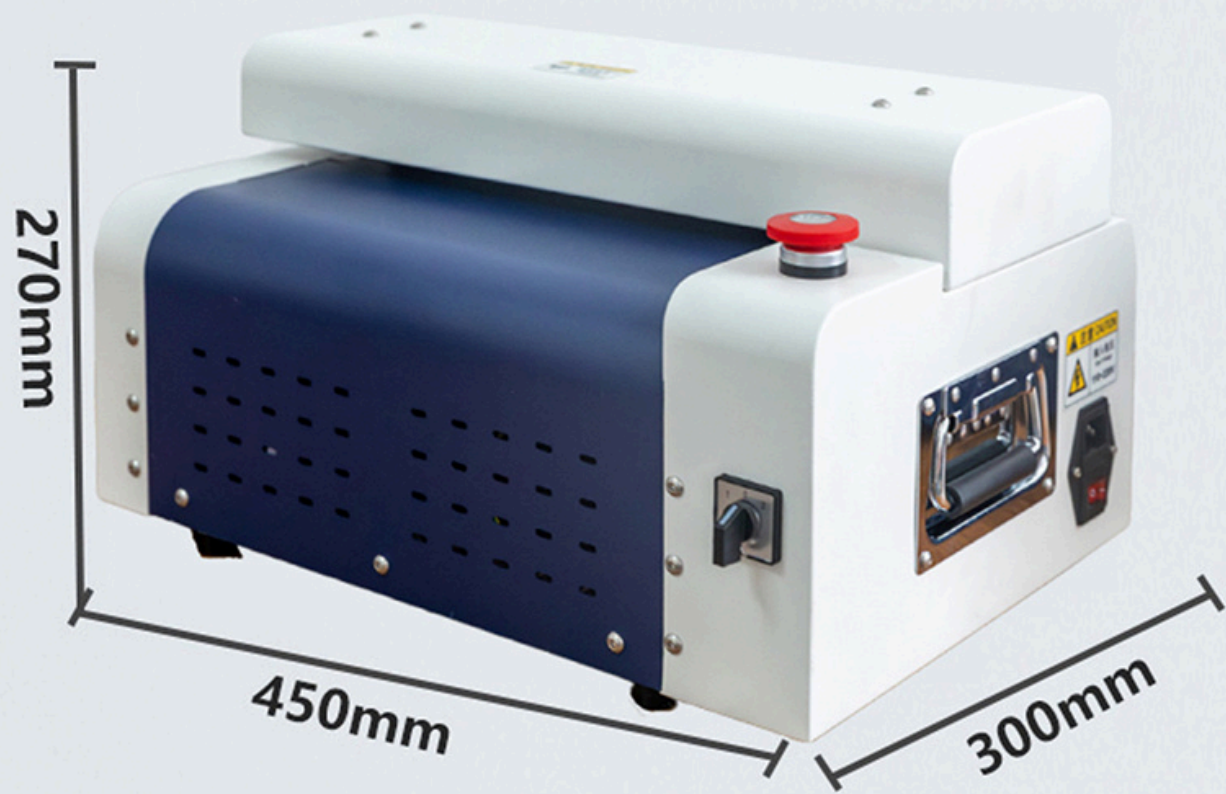

---

Paper-based Products, Recycling, No Pollution Sources

# Product Information

Product Model:	Product Name:	Shredding speed:
<b>CS325</b>	<b>Carton Cutting Machine</b>	<b>3m/min</b>
Cutting Width:	Cutting thickness:	Weight:
<b>320mm</b>	<b>10mm</b>	<b>33kg</b>
Supply Voltage:	Power:	Noise:
<b>110-220V</b>	<b>250W</b>	<b>60db</b>
Machine Size:	Applicable Waste Paper:	
<b>45*30*27cm</b>	<b>3-5 layers corrugated</b> (20-40 pieces A4/70g paper)	

Original Manufacturer

Waste Paper can be Turned into Treasure !

# FROM TECHNOLOGY, BACK TO NATURE.

Four Advantageous Functions

Green Environmental  
Protection

Wide Range of Uses

Waste Utilization

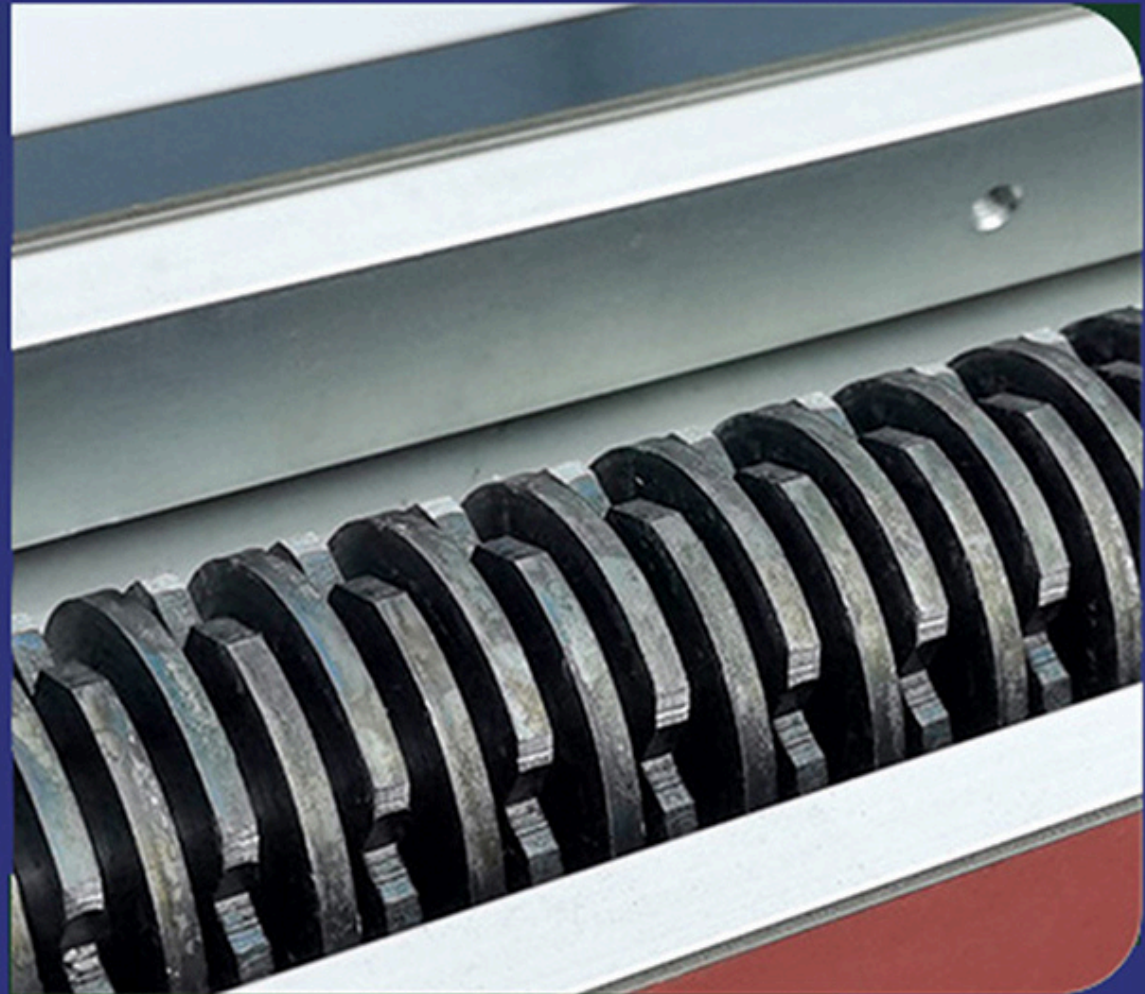

Technology Innovation

# DETAILS SHOW

## Gear Transmission

The machine is driven by the motor drive chain drive, gear drive, drive the knife bearing to finish cutting paper.

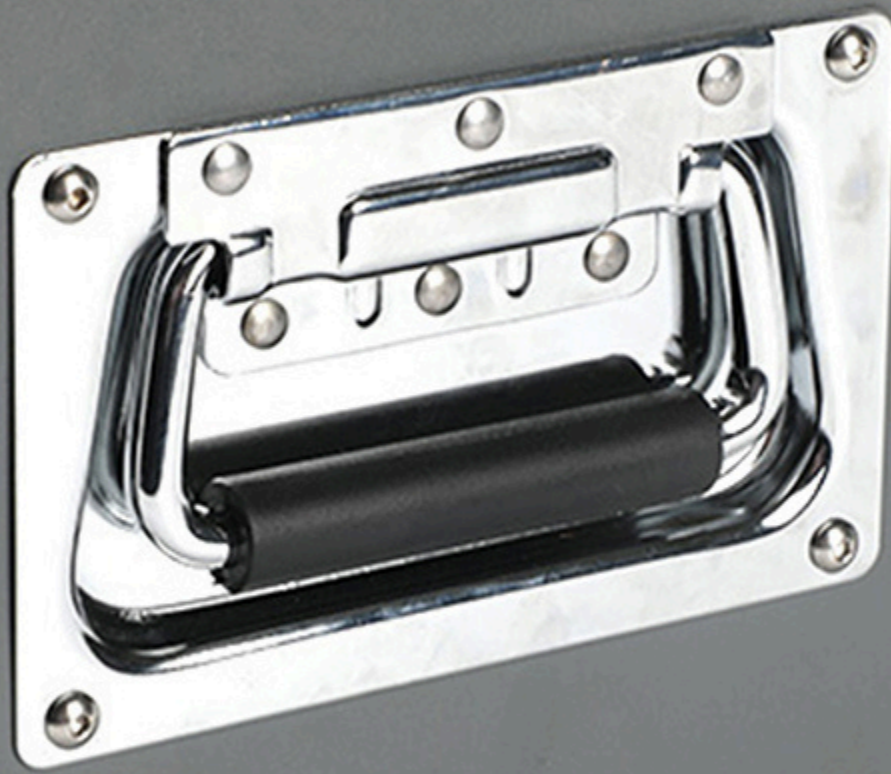

## Rotary Switch

When the rotary switch is set to forward rotation, the machine turns forward and reverse rotation is reverse rotation.

## Handle

---

Ergonomic handle, Easy to carry and pull Portable

## Emergency Switch

---

One-touch emergency switch rotates to open ,safety and simplicity
