To whom it may concern

Dear Valued Customer,

This letter is to inform you that

1) Helmar H4000 Silicone Spray 300g, Helmar H4000 Silicone Oil 100ml, 1 Litre, 5 Litre, Helmar H4000 Silicone Spray 125ml, Helmar Machine Oil 125ml, Helmar Machine Oil 1Litre and Helmar Machine Oil 5 Litre meet or exceed the requirements of the United States Food & Drug Administration CFR 21 Section 178.3570 Lubricants with incidental food contact and the US Department of Agriculture H1 lubricant category.

2) None of the above mentioned products contain diethanolamine or any ethanolamines or diphenylamine in our formulations.

3) None of the above mentioned products contain food allergens nor have food allergens present that may contaminate the above mentioned products during the production process.

4) Perfluoroalkyl and Polyfluoroalkyl Substances (PFAS) Content.

All products supplied and/or manufactured by Helmar Australia Pty Ltd to all its customers between 2011-2025 do not contain any perfluoroalkyl and polyfluoroalkyl substances (PFAS), as defined in TSCA Section 8(a)(7), that were intentionally added.

The absence of intentionally added PFAS in our products has been determined by internal formulation knowledge.

5) With regards to Halal and Kosher certificates there are no animal products used in our manufacturing facilities period.

All raw materials are synthetic. We do not use ethanol in any of our formulations.

As an authorised representative of Helmar Australia Pty Ltd, I attest that all information provided in this document is complete, true, and accurate to the best of my knowledge and the knowledge of our staff.

Best Regards,

Mark Ripper
