

Product Description

A944 is a co-extruded cloth with an aggressive high coat weight rubber adhesive. It has an 80 mesh thread count cloth backing which confers good tensile strength and good removability. Available in Black, Silver and White in 40 metre lengths. Retail version in all three colours 48mm x 40m.

Product Features

- A high thread count cloth backing with a co-extruded PE backing
- Extra high coat weight of adhesive
- Easy unwind and tear
- A natural rubber adhesive for an optimal blend of adhesive and cohesive strength
- Adhesive has very high thermal range for a rubber adhesive (90°C+)
- Although designed for permanent applications the tape offers good clean-remove qualities

Benefits

- ✓ Hand-tearable for easy use both laterally and longitudinally
- ✓ High coat weight of adhesive to conform with complex surfaces and wet-out easily
- ✓ Wide thermal range for a multitude of applications

Key Markets

- For holding cables in the entertainment industry—audio/lighting/staging
- Auto race tape
- Building & construction for holding poly sheeting and general sealing
- Protection during metal-peening and sandblasting
- DIY multi-purpose cloth duct

Applications
